

Because quality is Timeless

Stuebing
AUTOMATIC MACHINE CO.

that finishing touch always counts

Add Stuebing Metal Edges —
Add Beauty — Add Extra Profits
For You!

Your beautiful printing job will take on even more zip, more sparkle with the addition of Stuebing metal edges. Your customer will thank you for the extra beauty and utility you will have given his posters, calendars or other display pieces. And you'll thank yourself for the extra profits from the operation!

ASK YOUR FINISHER OR BINDERY MAN ABOUT STUEBING METAL EDGING — OR WRITE DIRECTLY FOR INFORMATION.

YOU CAN OWN YOUR OWN PROFIT-MAKING EDGING MACHINE AT AMAZINGLY LOW COST!

THE STUEBING AUTOMATIC MACHINE CO.

that finishing touch always counts

Stuebing Metal Slides add durability and class — while increasing your profit margin.

Your beautiful printing job will take on even more zip, more sparkle with the addition of Stuebing metal edges. Your customer will thank you for the extra beauty and utility you will have given his posters, calendars or other display pieces. And you'll thank yourself for the extra profits from the operation!

That dog-eared calendar, poster or map taped to the wall wears over time, and so does your customer's image.

Our calendar slides keep materials in style and with our patented technology, they provide secured reinforcement to keep them sharp and crisp over time.

THE STUEBING AUTOMATIC MACHINE CO.

April, 2018

A well made product always represents the ultimate sign of quality – the perfect combination of function and design. It is central to our work and the value we deliver to our customers. At Stuebing Automatic Machine Co., our products have weathered the test of time for over 125 years. Our calendar slides keep materials in style and with our patented technology, they provide secured reinforcement to keep them sharp and crisp over time.
